“WORKFORCE PLANNING:
SECRETS FOR ATTRACTING & HIRING TOP TALENT”**

Workforce Development

Featuring: Daniel Abramson, CTS, President of Staffdynamics

*Daniel has focused on workforce performance strategies and “raising the bar” for over 25 years. Daniel’s energetic, no-nonsense style appeals to clients seeking results at a new level. His philosophy is simple, his training is tough, his results are rewarding. Daniel’s book, **Secrets of Hiring Top Talent**, is available on www.amazon.com or www.staffdynamics.biz*

Target Audience: Leaders, Managers, Supervisors and HR Associates

Program Overview:

Managing and growing your company’s future talent development is one of the strategic priorities of leaders who are committed to execution, collaboration and high performance. Finding & developing great talent is one of the most critical yet elusive exercises a leader can undertake.

On the January 10th CTN satellite broadcast, Daniel shared secrets for attracting and hiring top talent.

Here’s what people said about that broadcast:

1. “Tons of new information and a different approach to hiring”
2. “Great presentation style by speaker. Wish we had more time”
3. Excellent, engaging, memorable “exercise.”
4. “One of the best programs I have seen to date.”

This follow-up web conference will give you tools to:

- Develop a Human Capital Evaluation
 - Assess your talent using a powerful personality matching tool
 - Assess existing talent in your organization
- Develop retention strategies through performance management and career development
