WORKPLACE TRACK

Your Compass for Navigating Changing Directions

Featuring: Peter A. Land, CSP, CMC, CPCM, Consultant
David F. Jones, Consultant/Coach, David Jones Group, LLC

Target Audience: All employees

Program Overview:

The energy industry has been and will continue to be in a flux of acquisitions, mergers and divestitures. This web conference will provide tools for employees when experiencing organizational changes from both perspectives; being acquired and receiving these employees into your organization.

Learning Objectives:

- What are my expectations as an employee being placed into a new organization?
- How to expect change and be a change agent.
- How to handle/process corporate growing pains and new cultures.
 - Getting to know the other company
- Using the change as an opportunity for personal growth
